

STEPHEN MINISTRY 2010 ANNUAL REPORT

SNLC completed its fifth full year of Stephen Ministry. Two new Stephen Ministers were commissioned on June 6, 2010. Four people received care during the year. Five Stephen Ministers and one Stephen Leader served during 2010. We look forward to a new year of one-on-one Christian care giving. All are encouraged to continue recommending those who are hurting to seek us out to find out if we can help.

Peace,
Glenn Wolfgang
